Requirements by the Community Centre for Services at the hall

- ❖ Covid -19 cases are still rising, and all our users should be mindful of this fact.
 - ❖ All persons should not come to the centre if they are displaying any Covid symptoms
- ❖ All users should use the NHS track and trace app on entering the building and follow the one-way system (*if you do not have a smartphone we will have paper registration*)
- ❖ All rooms are to be well ventilated, and all persons are to continue to wash their hands or use sanitiser on entry, and where appropriate during use of the facility
- ❖ If there are more than 30 persons and it's difficult to socially distance, face coverings are expected to be worn (*that means WCCers in the congregation should wear masks as we are usually over 30 people*)

Staff at WCCC have been able to keep the Centre open throughout the Pandemic and Covid Secure and are wanting this to continue. Please cooperate to support this aim

Advice from the WCC Leadership

- ❖ Please respect the Community Centre's request for people to keep socially distanced and to wear a mask. This means not receiving hugs whilst in the Centre.

Children

- ❖ Until a new team is established, we are unable to provide children's church. Children need to stay in the service and **be supervised by their parent/carers at all times. Reminder: this building is accessible to the public!**

GDPR (General Data Protection Regulation)

- ❖ All services will be live streamed - please let us know if you DO NOT want to be featured in the videos

!!CHILDREN'S MINISTRY!!

Whether you have previously ministered to our children
or you are a newly interested volunteer,

We very recently had a zoom meeting to discuss the Children's Church at
WCC!

This was the first of two planned meetings! The second meeting will be
to invite all parents and caregivers. We value your thoughts and ideas
and are very interested in you being a part of the vision for WCC's
children's ministry. We want it to be inclusive to all.

If you missed the first meeting but are still interested in volunteering,
please let us know by contacting Verena.

**We all need to be supportive and be willing
to invest in our children's ministry if we want to be a church
that welcomes families!**

**Please be praying over this ministry for our children, over their
parents/ caregivers, and over all those who will have the privilege of
ministering to our children and their families.**

GIVING TITHES AND OFFERINGS

During the absence of physical meetings, many of you have continued to give via online banking directly to the WCC bank account. This has been one of the positive effects of the pandemic: it has made financial accounting much more effective and more secure. If you have been wanting to give to the ministry of Woolwich Community Church and have not been able to give online, please speak to Verena. We will have an offering basket at the hall, when we get back to meeting physically, but please make every effort to give online, if at all possible.

I would also like to remind everyone that we would love you to fill out a
Gift Aid declaration if you give to WCC and pay tax.

WCC can claim back 25p for every £1 pound that you give

Thank you very much to all of you who give to the work of God by giving your tithes and offering as part of your worship.

And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.
